

I have used the Ontario Skills Passport to:

- Learn about [Essential Skills](#) and [work habits](#) by viewing the [Keeping Safe at Work](#) video and other [videos](#) which show how people use these skills in the workplace.
- See how workers use these skills in [occupations](#) related to my co-operative education, Specialist High Skills Major or Ontario Youth Apprenticeship Program.
- Select a [self-assessment](#) and compare my results to occupation(s) I am interested in.
- Track my skills demonstrations [in community involvement](#).
- Track my skills demonstrations [in the classroom](#).
- Create an [OSP Work Plan](#) in which employers record the demonstration of my skills during my co-op work placement.
- Update my [OSP Tracker](#) and use the [OSP Reflection Worksheet](#) to plan further skills development.
- Use my OSP skills information to develop my [Individual Pathways Plan \(IPP\)](#) and upload my OSP documents in my electronic IPP.
- View the [Make Social Media Work For You](#) video and use modules 3 and 4 to enhance my social presence and showcase my Essential Skills and work habits to get noticed when I am looking for a post-secondary program, apprenticeship, volunteer position, job or internship.
